# Synergies and Spin-Offs

- We aim at gearing CITIES activities by
  - Innovation activities
    - Lean Energy Cluster (Innovation Cluster)
    - InnoByg (Innovation Cluster)
    - VE-Net (Innovation Cluster)
  - Living Labs (City Development Projects)
    - Affaldvarme Århus
    - HOFOR
    - Project Zero, Sønderborg
    - Tjæreborg, Esbjerg Forsyning-SE (Syd Energi)
    - Planned:
      - Vinge, Frederikssund Forsyning og Kommune
      - EnergyLab Nordhavn (EUDP)
      - Calsbergbyen (ikke bekræftet)
      - Many others

# Agreements on additional activities

- We have an interest in getting involved in additional projects:
  - Demonstrations
  - Living Labs
  - Data Management
- The Steering Committee will define rules for cooperation
- Hereafter we are ready to work on such cooperation!
